SERGEJ  
Let's better discuss this somewhere else... Undisturbed.

Dimitri and Sergej move aside the base and continue their discussion.

DIMITRI TARASSOW  
Bio weapons, seriously?! Is this really our level? (excited)

SERGEJ  
Howie's not leaving us any choice. I don't want to take a risk

DIMITRI TARASSOW

it.

SERGEJ

I blame him for my father's dead, i  
will take any risk.

Another Russian soldier is adding to the conversation

Dimitri pretends to agree. He proposed an alternative action  
in order to avoid the worst.

DIMITRI TARASSOW

So, thats the big bone. Why didn't  
you just tell me? [shortly esteems]  
Ok, let's place the bombs suburb so  
we make sure we hit our target and

needlessly lose any men.

SERGEJ

can make sure all tasks will be  
done.
