

Cynical

Taunting, cynical manner of speaking.

(3-37) "Hey, Pyotr, you sluggard. I got an Indian on my six. Would you be so kind and use your stupid missile to knock this Apaches' lights out?"

Command

Commanding tone with exertion in his voice.

(3-01) "This is Major Boyd, to everyone: We've got the go-ahead on directive *Thunderclap*."

(3-02) "This is where the hard part begins, guys. I expect nothing less than your best! Over."

Normal tone

Speaks clearly and with insistence.

(3-03) "This is Big Daddy, orders acknowledged. Warpig Zero One on its way."

(3-04) "Negative on hostile activities. Over."

Emotions

Thoughtful manner of speaking, reflecting about himself and past things.

(4-04) "How could this all happen?"

(4-05) "How could we underestimate our enemy that much?"

(4-06) "I've warned Supreme Command and pointed out all risks, to no avail. – And still..."

(4-07) "It was my duty... and my own responsibility."

(4-08) "I shouldn't have put Greg into that danger!"

Under heavy fire

Hysterical and desperate screaming while in combat.

(3-12) "Victor Five One, this is Victor Six One. Enemy contact!"

(3-13) "Victor Six One for Big Daddy. Do you read?"

(3-45) "Contact! Contact!"

(3-46) "Under attack!"

(3-47) "Heavy fire incoming!"

(3-48) "Take cover!"

(3-49) "We've got a man down!"

(3-50) "Need a medic!"

(3-51) "Can't hold position!"

(3-52) "Retreat! Retreat!"
